

## Blanke•DECOLINE

(Brass • Aluminum • Stainless steel)

Blanke•DECOLINE is a newly designed listelli profile that provides appealing accents to tiled walls. Blanke•DECOLINE can be combined with the corresponding finish in the Blanke•Quarter Circle Tile Trim for corners to achieve an esthetically pleasing and professional installation. Blanke•DECOLINE is made from stainless steel and is durable enough to be use as accents in floor tile installation.

## Blanke•Corner Protection Profile

(Stainless steel)

The Blanke•Corner Protection Profile is manufactured from 1/25" thick stainless steel (material 1.4301 – V2A) finished to a low gloss polish and provided with a removable protective foil. This profile is especially well suited for wall corners subjected to frequent high impact such as in commercial areas (workshops etc.).
