

Blanke•Triangular Tile Trim

(Brass • Aluminum)

The Blanke•Triangular Tile Trim made of high-quality aluminum or brass respectively. These unique tile trims offer an attractive, professional finish to ceramic tile counters and walls. In order to ensure the product a long working-life, the profiles are chrome-plated beforehand. The specially engineered triangular shape of these trims provides exceptional strength and protection for tiled edges and corners. As for the maintenance, please consult our detailed information concerning our anodized and coated aluminum trims on page 75. The Blanke•Triangular Tile Trim is also usable as a trim for levelling or for transitioning different heights.

Brass; chrome plated; extruded

Length 8.0 feet

Pack: 5 pieces

h/in.	h/mm	Part No.
1/4	6.0	380-340-06025
