## **BLANKE** AQUA-SEAL

BLANKE AQUA-SEAL is a multi-purpose water proofing polymer adhesive that can be used to waterproof and seal the overlapping seams of BLANKE AQUA-SHIELD. The BLANKE AQUA-SEAL is free from solvent, isocyanates and silicone. Please contact Blanke to determine if BLANKE AQUA-SEAL will adhere to a waterproofed substrate.

## **BLANKE MAGNETIC TILE CATCH**

BLANKE MAGNETIC TILE CATCHES are ideal for creating easy-to-remove panels for accessing plumbing and electrical equipment for bathrooms and hot tubs. The panels are made from the same tile as the surrounding installation making them nearly invisible.
