

## BLANKE REDUCER TRIM

The BLANKE REDUCER TRIM is designed to transition from ceramic tile and stone to flooring at lower elevations. The BLANKE REDUCER TRIM provides a gradual slope to eliminate trip hazards and is available in stainless steel and aluminum finishes. The BLANKE REDUCER TRIM is appropriate for a wide range of applications from residential to heavy-load commercial.

**Important note:**  
This profile is ADA compliant.

## BLANKE CARPET TRIM

The BLANKE CARPET TRIM is an ideal transition from hard tile to lower flooring, especially carpet. The sloped nose of the profile covers the edge of the carpet to prevent carpet fraying while protecting the tile edge. The BLANKE CARPET TRIM is available in aluminum with strength suitable for both residential and commercial applications.

**Important note:**  
This profile is ADA compliant.
