

Important note:

Laser-cut patterns allow water to escape, making the shelf easy to clean and maintain.

NEW BLANKE ECKBERT

BLANKE ECKBERT is a useful corner shelf for the modern shower area. Shampoo and shower gel bottles find their place here. The shelf is made of sturdy stainless steel and can also be subsequently inserted into the grouting without drilling any holes.

BLANKE ECKBERT

STAINLESS STEEL, BRUSHED

Triangular shelf for direct installation in the tile grouting
Corner installation, Thickness: 1/16" Pack: 1 pc.

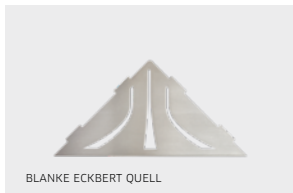

Part no.	Style	Dimensions	\$/pc
